St. Michael's Country Day School

Parent Questionnaire

Because parents know their children in ways that are very different from teachers, St. Michael's feels that it is important to give you the opportunity to give us more insight about your child. Your comments will be shared with members of the admission committee and, if accepted, with their teacher/advisor. Your responses will not be part of your child's permanent record. Thank you, in advance, for your thoughtful attention to this request.

Name of Applicant: First Middle Last

Please describe your child's character and personality as you see it.

What do you believe your daughter or son will contribute to the St. Michael's community? In what areas would you like to see your child participate?

What do you hope the St. Michael's experience will do for your child?

Are there any family circumstances that might affect your child's performance at St. Michael's?

Is there anything we should know about the sequence of your child's education? Has your child ever skipped or repeated a grade? Has your child ever been asked to withdraw from a school? Please explain.

Is there anything else you would like us to know?
